

VOTING PLACE . . . Shoppers at Thriftmart will use this ballot box to vote for their favorite checker-cashier. The boxes will be in Thriftmart stores from today through Feb. 14. Winners will be judged on courtesy, efficiency, neatness and accuracy.

Church Series On Missions Opens Sunday

The School of Missions with the theme, "Christian Missions in Latin America," will begin Sunday at Western Avenue Baptist Church. This will be a six-week program of films, informative instruction, and group participation. The Junior age will begin at 11 a.m., the Junior High through adult age at 6:15 p.m.

The Rev. Charles T. Hughes will be observing Life Service Sunday at the 11 a.m. service. The challenge will be given to youth to consider church-related vocations. Maynard Meade will lead the choir in "Open Our Eyes," by MacFarlane. The Rev. Mr. Hughes will be continuing his expository series on the New Testament book of Romans by delivering the message, "Gospel of God," at the 7:30 p.m. hour.

New Lomita Parking Limit Set by Board

Parking along a 27-foot segment on the north side of 247th Street between Narbonne Avenue and Moon Avenue, Lomita, will be limited to 30 minutes during the hours of 7 a.m. to 5 p.m., Mondays through Fridays, according to Supervisor Burton W. Chace.

The time limit was approved by the County Board of Supervisors at Tuesday's meeting. Signs will be posted immediately by the Los Angeles County Road Department.

"This portion of 247th Street is immediately adjacent to the 247th Street School," Chace pointed out. "The time limit will provide a turnover of parking space adjacent to the school."

"We're most fortunate in that we never find our lost temper," John L. Teets, Richwood (West Va.) Nicholas Republican.

Carson Area Road Funds Apportioned

The Board of Supervisors has allocated \$5,600 for a roadway improvement project in the Carson area.

Supervisor Burton W. Chace said about 7,000 square feet of pavement will be constructed to join with the newly constructed curb and gutter on Milton Street east of Budlong Avenue and on the north side of Milton Street east of Raymond Avenue. In addition, cross-flow gutters will be constructed across Milton Street at Berendo Avenue and at Raymond Avenue.

The project will be scheduled by the Los Angeles County Road Department pending the completion of other portions of the current work load.

"The improvements will facilitate area drainage and lower roadway maintenance costs," Supervisor Chace said.

He also noted that this type of project is a phase of work performed by the County Road Department in cooperation with property owners who construct curb and gutter under County permit to add to the operational efficiency of county roadways.
